MEMORANDUM FOR COMMANDER, DEFENSE REUTILIZATION AND MARKETING SERVICE

SUBJECT: Guidance for Issuing DEMIL Code "C" property to Law Enforcement Agencies (LEAs)

During the 2001 LESO conference the issue of inaccurate DEMIL codes was raised by several LEA representatives, when the DRMO issues/releases DoD property through the LESO program, especially HMMWVs. DEMIL code "C" is the correct code for HMMWVs as agreed upon by the DoD DEMIL Program Manager and Army DEMIL Program Manager. This decision was made to ensure that DEMIL required key points (i.e.: armor, gun mounts, etc) were removed and properly demilitarized. Once the DEMIL required key point(s) are removed, then the HMMWVs should be treated as DEMIL code "Q".

Effectively as of this date, DRMO will annotate on the disposal release document that the identified DEMIL required key points have been removed when releasing HMMWVs to the LESO program.

Questions may be directed to the undersigned at (703) 767-1539/42/28 or DSN 427.
